Operation

Charging the battery pack

- Flip open the cap.
- Connect the USB Type A connector to a USB port on your computer or laptop. Use of an AC - USB Adapter is also acceptable (5V 500mA / 1000mA).
- The power status LEDs will light up according to charging capacity.

<10 - 25% capacity	25 - 50% capacity	50 - 75% capacity	>75% capacity

Charging your digital device

- Connect the Micro-USB connector to a Micro-USB enabled mobile device or connect the 8-pin connector to a supported Apple product. If both an iOS device and another device is connected to the micro-USB connector, the iOS device will get charged first.
- Press the ON / OFF button to start charging the device.
